

Discovery Guest Bicycles

Inside the garage of your Discovery Condo, you'll find two Townie bicycles. Exploring Bay Creek by bike is a fun way to discover the neighborhood and is certainly in keeping with the active outdoor lifestyle the Eastern Shore is famous for!

These bikes are for your enjoyment while you're our guest here at Bay Creek. You are welcome to use them on all the roads inside the community as well as on the paths throughout the Nature Preserve. **Please do not take these bikes outside of Bay Creek,** they are intended solely for you to use inside the community.
